## Director Of State Vacation Bureau Urges Gettysburg To Promote Tourist Attractions

Gettysburg and Adams County heard a warning from a member of the Pennsylvania Department of Commerce who Monday night compared aligning tourist competition of surrounding states with the relatively unexploited attractions in Pennsylvania and urged: "We are all in this business of travel promotion together. Unless we begin to row right now we might lose the boat."

The charge that it is time other areas establish travel councils similar to the Gettysburg project to complement a State program of tourist education and travel was made in an address to approximately 30 members and guests of the Gettysburg Travel Council of the Chamber of Commerce by J. Herbert Walker, director of the Vacation and Recreation Bureau of the Department of Commerce.

Walker said, "You and I have not done enough to promote this area in the light of what other States have done and are doing for their own historic sites." Speaking for his Bureau he added: "Pennsylvania wants to help you help yourselves. Everybody benefits from the tourist dollar. If organizations like the Gettysburg Travel Council will only help themselves and then allow the Department of Commerce to help them—we will be able to offset the competition of other states."

### Shows Two Films

The State representative spoke at a business meeting of the Travel Council in the Court House at which reports of other Council activities also were presented. Following his talk, which cited examples of what other organizations, similar to the format of the local group, had accomplished toward the spurring of tourist trade, he projected two technicolor sound films entitled, "Sylvan Holiday in Pennsylvania," and "Pennsylvania."

"The tourist of today has money and he is willing to spend it," Walker said, "but he must be educated to some extent . . . he expects good food, lodging, entertainment . . . and he likes recreation facilities such as golfing, hiking, swimming. Gettysburg must provide these for the traveler."

He pointed out various methods by which the state has aided the Pennsylvania tourist interest and especially noted that in the past 14 years every piece of literature sent out by the Department of Commerce has contained pictures and information concerning Gettysburg. "The state will bend over backwards to help communities help themselves," he said, pledging state aid and personal availability to discuss any project the Gettysburg Council may broach.

**Favors Apple Festival**  
Walker declared that the Department of Commerce is interested in the development of an apple blossom festival in Adams County. He gave a two-fold reason: "To encourage tourists to visit Gettysburg and to encourage the sale of apples which Adams County produces in bountiful measure."

"You have a job to do in Gettysburg," he continued, "and while you note the program of other states (referring specifically to the Virginia Travel Council) along which lines the local project is being developed."

## TIMELY BOOKS ON NEW LIST AT ADAMS LIBRARY

A number of timely volumes that will provide interesting pre-Christmas and holiday reading are included in a list of new books just announced by the Adams County Free Library.

Heading the listing are a "Christmas Idea Book" by Dorothy Biddle and Randolph Haugan's "Christmas Annual."

Two of the newer religious books that have been attracting a great deal of interest in bookshops, Fulton J. Sheen's "Life Is Worth Living" and Billy Graham's "Peace with God" are on the list as is the final volume of Winston Churchill's "Triumph and Tragedy."

There's a book on how to build or remodel your home, another on handicrafts, a fishermen's encyclopedia and a complete guide to interior decoration.

Others on the list follow with the authors listed first:

Richard Beron: With the Bible through the Church Year, illustrated by the Brothers of the Benedictine Order; Arthur Liebers: How to Organize and Run a Club; Jacques Del Monte: Fell's International Coin Book; Ralph Kovel:

## METROPOLITAN ASKS BOOST IN ELECTRIC RATES

The Metropolitan Edison Company today filed with the Pennsylvania Public Utility Commission a new rate schedule effective February 15.

Under the new schedule monthly charges to residential customers will be increased a maximum of 17 cents per month. In all cases the customers having electric water heaters will receive an additional increase in rates.

### Distribute Increased Costs

In announcing the new tariff, W. H. Doran, MECO president, said, "Since 1940 the company's cost of coal per ton has increased 108 per cent. During that period the major portion of this increase has been paid by the larger power and lighting users through a monthly coal cost adjustment in certain of the company's rate schedules. No part of this increased cost has been borne by the residential and smaller lighting and power customers. The new rate schedules contain no fuel-price adjustment provision but are designed to distribute the increased coal costs among practically all customers."

Charges to customers served under the "General Power and Light Rate," and who use less than 2,111 kilowatt hours, will be increased in amounts ranging from 16 cents to \$196 per month. Charges to larger power and lighting users, whose bills were previously increased by reason of coal cost provisions, will be slightly reduced.

Several minor changes are being made in rates and conditions for serving churches having large electric heating loads.

One official of the company said "the new schedule will not increase, but slightly reduce the company's total revenue."

## SEEK DAMAGES FOR BURNS FROM ELECTRIC STOVE

An action in assumpsit was filed Monday in the prothonotary's office seeking damages for injuries alleged to have been received by an Aspers R. 1 woman when she was burned by an electric stove five years after its installation.

The two-count action in assumpsit by James P. and Betty Jane Kile, Aspers R. 1, against Clair P. and Marie R. Ditzler, trading and doing business as Ditzler's Store, York Springs R. 1, charges that, on June 25, 1948, the defendants installed an electric stove in the home of the Kiles but "failed and neglected" to attach a ground wire to the stove.

### Lists Injuries

The action, filed by Bulleit and Bulleit, attorneys, alleges that on April 1, 1953, while using the electric stove, Mrs. Kile sustained a severe electrical charge through the right side of her body.

The resulting damages, she says, included "a burn to the right thumb, paralysis to the right side of her face, weakness and loss of sensation in her right leg, a coolness of the entire right side of her body, irregularities of pulse, extreme weakness, soreness in the chest, and a mild heart attack."

A coinciding action by the husband of the afflicted woman states that the accident "totally disabled her from performing regular duties as a factory worker at the Rice, Trew and Rice Co., Biglerville."

## Seminary Students On Long Vacation

The 135 students enrolled at the Gettysburg Lutheran Theological Seminary began their annual Christmas vacation Friday and will return to classes January 4.

The long Christmas holiday is granted the student ministers for several reasons. For many, the Christmas time is a period when they assist in various churches in their home areas at the special Christmas season services. And many also use the period to work as clerks in stores and elsewhere to augment their funds for the coming year.

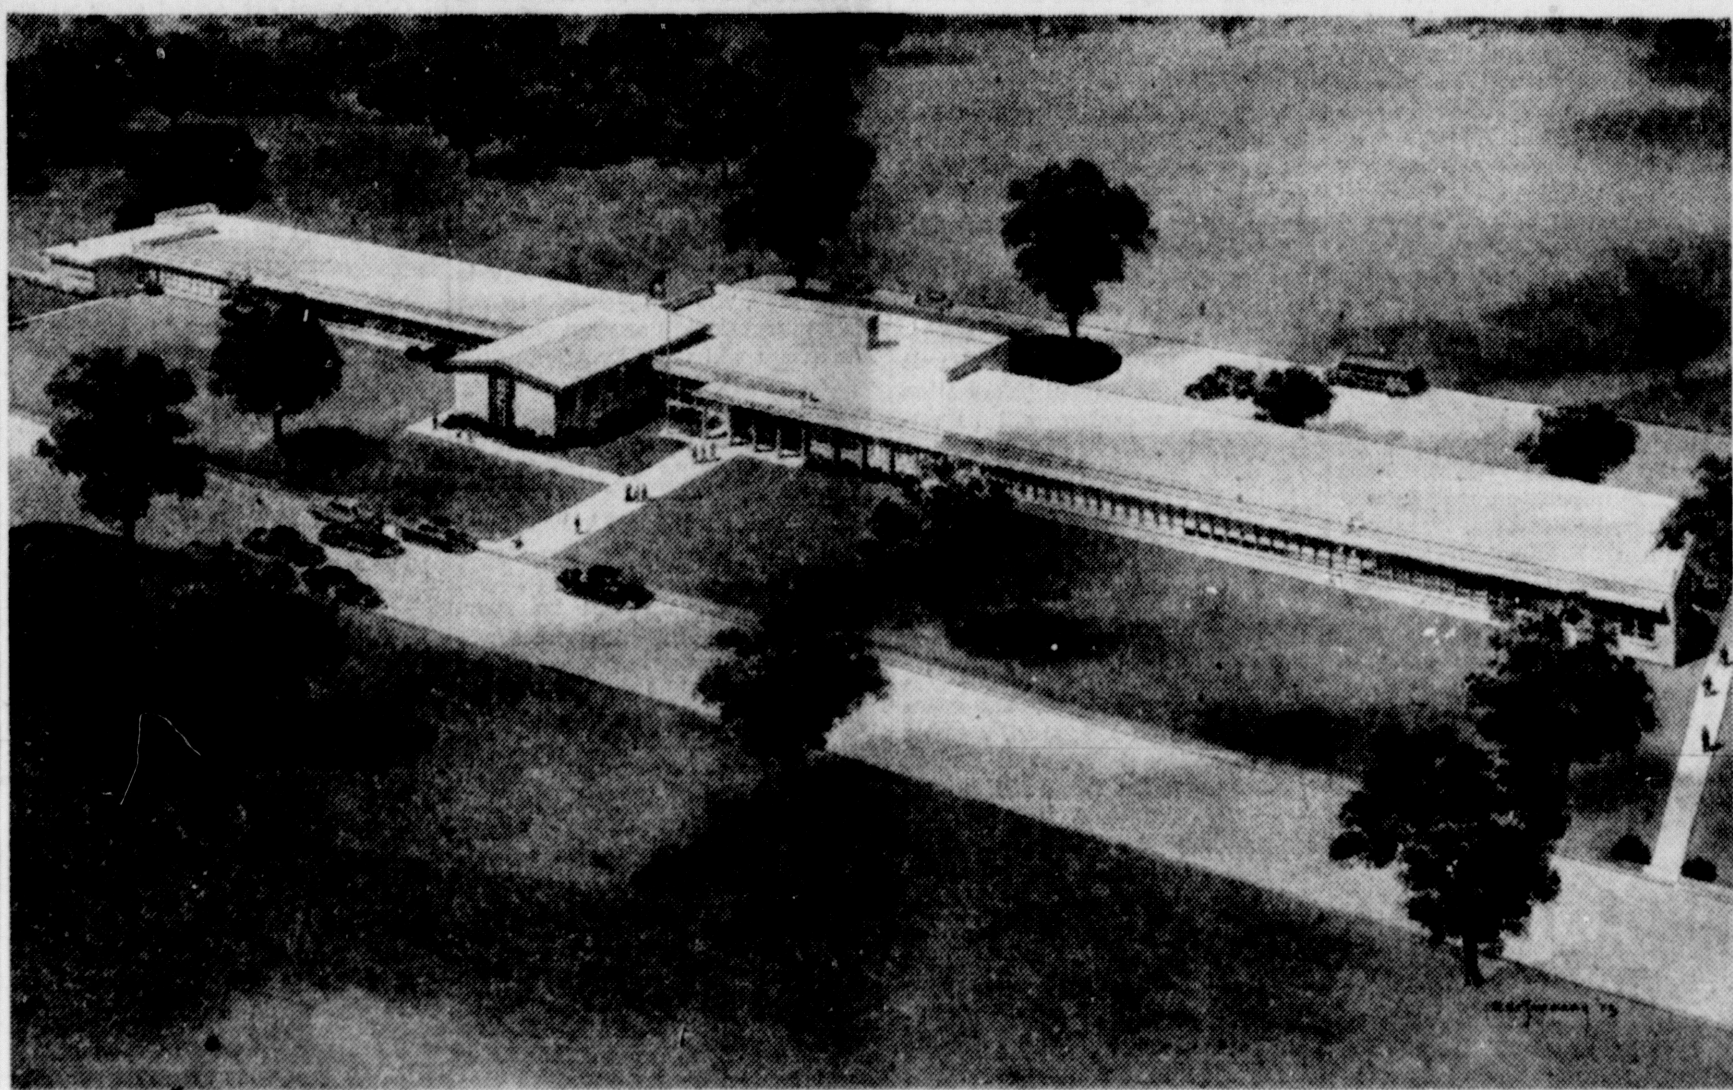

### KIDDIES GUESTS OF LIONS

Two hundred fifty Lions and their children attended the club's annual Christmas party Monday evening at Trinity Evangelical and Reformed Church. A turkey dinner was served by the ladies of the church.

There was singing of Christmas songs and Bonnie MacGibeny of Gettysburg College gave an exhibition of baton twirling before Santa Claus arrived with gifts for the children.

President C. A. Cluck presided.

## Architects' Drawing Of New Grade School Building

An architects' conception of how Gettysburg's new \$700,000 elementary school building will look when the building and grounds are completed is pictured above. Bids were opened for the building Monday evening by the Gettysburg Joint School Board and contracts may be awarded in January.

The modern, brick-faced structure will front on E. Confederate Ave. Beyond the play area at the rear of the building is the present high school football field. The two extra special purpose rooms on the southern (left) end of the building are optional and may or may not be included in the contract depending upon cost studies now being made. The south end will be used by the pupils of the first three grades and the north end by Grades 4, 5 and 6. Separate play areas are planned for the two groups.

There will be an all-purpose room with a stage, in addition to a cafeteria, kitchen, health room, waiting room and office, intercommunication system, bus loading platform at the rear and 18 or 20 classrooms. Modern lighting and unit-heating facilities for each room are included.

The artist has taken some liberties in the picture above by adding large shade trees and omitting the fence along E. Confederate Ave. Approaches to the building will be from the north and west and not from the east. The building will accommodate 600 pupils. Buchart Engineering Corp. of York are the architects. A bond issue will finance the structure. The \$700,000 cost figure includes land and furniture.

## XMAS SUPPER IS GIVEN BY DAC MONDAY NIGHT

A Christmas candlelight supper was served by the Manor of Maske Chapter of the Daughters of American Colonists Monday evening at the Methodist Church during which the pastor, Rev. Victor K. Meredith, discussed "The Significance of the Lights of Christmas."

"The first light in the cave at Bethlehem," said Rev. Mr. Meredith, "was perhaps a small wick lighted in a dish, but overhead was a brilliant star. We use lights at Christmas as an emblem of the child Jesus, Light of the World."

Among the 29 persons at the covered dish supper, the following guests were present: Mrs. Byron McClung, regent of the Barrens Chapter in Stewartstown; Mrs. Kilbourne, Mrs. Bertenslager and Mrs. Smith, all from Stewartstown; Miss Rachel Mary Walker, Chambersburg, who is organizing a new chapter of the DAC in Franklin County; Mrs. J. Black, Chambersburg; and Mrs. Sydney Trine and daughter, Carroll, Towson, Md., both members of the local chapter.

### Elect Delegate

The tables were decorated with blue and gold candles and small angels with blue wings and yellow hair. Bowls of yellow chrysanthemums on the tables completed the blue and gold color scheme. Pine branches added a Christmas touch to the room.

At the business meeting Mrs. Robert Ditchburn, Gettysburg, was elected delegate to the national assembly to be held in Washington in April. Miss Margaret McMillan, regent, welcomed the guests. Mrs. Roy E. Zinn led the group in the ritual and in the singing of the last verse of "My Country 'Tis of Thee." Rev. Mr. Meredith offered grace before dinner.

## Hunter Pays Fine; Shot Two Cattle

Kenneth I. Snyder, Columbia R. 1, charged by Harmon K. Nary, Gettysburg R. 5, with hunting in a safety zone during the small game season, forfeited a \$25 fine and costs in a hearing, Monday, before Justice of the Peace Robert P. Snyder.

Nary accused the defendant of discharging a weapon among a herd of cattle resulting in the laming of two animals with pellets in the hind feet and also firing too close to a residence.

## SEEK DRIVER WHO HIT CAR

State police today were continuing their search for a hit-run driver whose vehicle smashed into an auto 6½ miles south of here on the Emmitsburg Rd. at 6:55 o'clock Monday evening. The driver of the struck car was nearly off the road when the collision occurred, police said.

Charles D. Heisler, Tamaqua, a student at Mount Saint Mary's College, was enroute to Gettysburg, he told police, when he saw a car headed south in the middle of the road. He drove as far to the right as he could, he said, but the car struck his left fender, smashing it against the wheel and pushing the car up against an embankment, damaging the right rear fender. The other vehicle then continued on towards Emmitsburg.

Neither Heisler nor another student in the car was injured.

## Eddie Fox Gets "Blood Fines"

PHILADELPHIA (AP)—Fraternity men at the University of Pennsylvania start paying their fines in blood today.

The Inter-Fraternity Council decided that when fines are assessed against member fraternities for violating council rules, the fines can be paid off at the rate of one pint of blood for each \$5 fine.

Half the blood will go to the Red Cross blood bank. The other half will go for 17-year-old Eddie Fox of Orlanata, Pa., in Adams County. Eddie was badly burned in a futile attempt to save a younger brother from burning to death in a fire 3½ years ago. He still needs at least two blood transfusions a week at University Hospital here.

## CLUB SPEAKER SAYS LAUGHTER MAY SAVE REDS

"Laughter is not only a sign of courage and sanity, but it can also be a method that may yet save Russia," Dr. Jacob Heikkinen, of the faculty of the Gettysburg Lutheran Theological Seminary, told the local Rotary Club at a Ladies' Night dinner-meeting Monday evening at the Hotel Gettysburg.

One hundred nineteen attended the Christmas party. President John Teeter presided, Vice President Roy Hammond introduced the speaker. Dr. Frederick Tilberg led group singing and Dr. Kenneth Smoke was the pianist.

Using as his topic, "A Few Thoughts For Christmas And One For The Day After," Dr. Heikkinen told the group: "We need to learn to laugh louder and longer. Our day has seen the development of commercially created laughter. The movies, television, radio have produced a group of writers and comedians who have learned how to produce the quick laugh. But it is laughter that is gone just as quickly."

### Enjoy Real Humor

"We need to learn to see for ourselves the humor in things. God has so created us that we are capable of laughing—of seeing life as a whole and poking fun at our own petty problems. Humor that comes from the heart is a sign of a sound person. As long as a man can laugh at himself there is no fear that he will be overcome by depression and worry."

"Such laughter is also significant," (Continued on Page 9)

### CHIMNEY BLAZE

The Gettysburg Fire Department was called at 11:10 o'clock Monday night to extinguish a chimney fire at the home of Clyde Markle, College Ave.

## Y MEMBERSHIP INCREASED BY 82 BOARD IS TOLD

Since the start of the current YWCA year, in March, Gettysburg membership has increased from 289 to 371 members. The Board of Directors was told at the monthly held Monday night in the Y. During November, 28 renewals and one new membership were received.

Each Y member was asked by Miss Anne Gilliland, membership chairman, to obtain one new member before March 1954. Adult memberships are \$1.50 per year and junior cards, 50 cents. Women residing in Gettysburg and the county were urged to join the YWCA.

The Y building will be closed Christmas, December 26, and New Year's Day. The building will also be closed at 6 p.m. each evening from December 24 through January 2. Club activities will not be scheduled during Christmas week and the practice of closing evenings will continue.

Mrs. J. Albert Blackburn, public affairs chairman, announced that Congressman W. Walter Stauffer will be the guest of the Rotary Club at the Y next Monday. He will speak on "The 83rd Congress—Past and Future."

A series of lectures and panel discussions will be conducted at the Y next year. On January 15 Dr. Robert Fortenbaugh, head of the history department at the college, and Hugh C. McIlhenny, assistant editor of The Gettysburg Times, will conduct a panel discussion on "How public opinion is made in this country." A \$1 fee will be charged for the series.

Other topics will be announced later. Afternoon and evening discussions will be conducted if it is desired.

### Hear Reports

Mrs. E. E. Korte, Y-Teen Chairman, reported that on December 7 a Christmas party was given at her home on the College campus for the 22 co-eds serving as advisors for groups of high school (Continued on Page 9)

### MARRIAGE LICENSES

Marriage licenses have been issued at the Court House to the following couples:

Robert E. Heltbride, son of Mrs. Annie Heltbride, Littlestown, and Shirley Frances Peters, of Heidlersburg.

Arthur F. Holston Jr., son of Mr. and Mrs. Arthur F. Holston Sr., Nanticoke, and Marianne Bracy, daughter of Mrs. Anna W. Bracey, 54 E. Middle St.

## MORE TICKETS FOR XMAS PARTY

Additional tickets are available for the New Car Dealers' Christmas Party for children to be held Saturday morning at the Majestic Theater, it was announced today.

Santa Claus will be present to award 217 prizes at the annual Christmas event held for children of the area up to 12 years of age.

Candy and chewing gum will be distributed to all children attending the affair. Among the 217 prizes worth \$500 to be given out will be a Schwinn bicycle.

Doors will open at 9 a.m. Saturday at the theater and a comedy and feature film will be shown in addition to the visit by Santa Claus.

Admission will be by ticket only but the tickets are obtained free of charge from any of the following new car dealers in Gettysburg: Dave Oyster Motors, Dave Forney Motors, H and H Machine Shop, Warren Chevrolet, Adams County Motors, Gettysburg Motors, Glenn L. Bream, C. W. Epley and Son, Phil's Garage and McCauslin Auto Sales.

Costs and suits reduced 25%. Also \$10 reductions on Winter white knit suits. Virginia M. Myers, 119 Baltimore St.

## New Grade School May Cost Approximately \$700,000; 39 Bids Are Opened Monday

## DR. WICKERHAM IS RE-ELECTED HEAD OF BOARD

Dr. Ralph D. Wickerham was re-elected president of the Gettysburg Joint School District Board of Directors during a busy session of the joint board Monday evening at the high school building when in addition to opening bids on the new grade school building these items of business were handled:

The board directed its attorneys to seek court approval of a plan by which school-condemned land in Colt Park will be returned to the former owners with the school district paying the Colt Park firm's condemnation action costs.

The directors employed John Held, now a mathematics teacher at Fairfield High School, as a math teacher in the Junior High School here to succeed Rogers Herr whose resignation is effective January 1.

Nearly \$1,000 worth of additional chairs and tables for the high school cafeteria were ordered from the Raymond Home Furnishing Company after bids had been examined.

Most jointure standing committees organized for the year by electing chairmen at separate meetings.

### Name Vice President

In addition to re-electing Dr. Wickerham as board president, the directors named Ralph W. Guise of the Straban Twp. board as vice president of the jointure board. The election was conducted by the Joint School Committee in separate sessions and then the entire board adopted that committee's officers as the officers for the joint board.

Attorney Richard A. Brown told the board that he has received a letter from the owners of Colt Park offering to take back the land the school board condemned more than a year ago for school purposes when it was the only land available for the new grade school building. The school will be built on land received from the government in an exchange plan.

### Court Action Cost \$4,000

Under terms of the land return plan, which would have to secure court approval before it could be effective, the school district would pay expenses estimated at about \$4,000 incurred by the Colt Park owners by reason of the condemnation proceedings. The figure includes \$3,675 as fees for attorneys for the Colt Park firm. The remainder of the figure is for witness and jury fees and other court costs (Continued on Page 2)

## PRESBYTERIAN XMAS PAGEANT THIS EVENING

The fourth annual presentation of the "Pageant of the Holy Nativity" by David McK. Williams and Leonard Young will be given this evening at 8 o'clock in the Presbyterian Church.

A cast of more than 30 will present the Christmas story in pantomime while the choir and the narrator relate the story in word and song. The pageant is designed and staged by Miss Ruth McIlhenny and Phillip E. McGuire.

Soloists include Mrs. Melba P. Bartholomew, Mrs. Margaret B. McGuire, Miss Joan Spangler, Donald Bollinger and Paul Grove.

Members of the cast are as follows: Mary, Mrs. C. H. Johnson; Joseph, John Williams; Gabriel, Rev. Clyde R. Brown; Angel of the Shepherds, Mrs. J. C. Stahle; Melchior, Donald W. Swope, Baltazar, William Lipsey; Casper, David Barnes; attendants, Keith and Carl Johnson and George Mitchell; Shepherds, Floyd McKeand, Frank Skidmore, David Lott, Robert McKeand, Ralph Overcash; angels, Betty Kump, Barbara Ketterman, Barbara Witherow, Charlene Patterson, Lindgren Johnson, Diane Gifford, Nancy Wolff, Jane Bigham, Elizabeth Heldt, Ann McIlhenny, Carolyn Ketterman, Eleanor Padlock, Ann Holoka; Littlest angel, Susan Swope, Dawn Warner and Martha Sargeant.

Wardrobe and technical staff members include Mrs. Oren Wilson, Mrs. Ira Kerr, Mrs. Floyd McKeand and Mrs. Phillip McGuire. The public is invited.

### HOSPITAL REPORT

Admissions: Mrs. Bernard H. Klunk, New Oxford R. 1; Mrs. Charles Ireland, Westminster R. 1; Mrs. Robert Montgomery, Gettysburg R. 4, and Mrs. Oscar H. Stinson, Emmitsburg.

Discharges: Joan Weaver, New Oxford; Mrs. Arville Grossnickle, Keymar, Md.; and Mildred Myers, Gettysburg R. 5.

Gettysburg's new grade school building to be erected on recently acquired government land east of the High School Athletic field will cost in the neighborhood of \$700,000, it became apparent Monday evening when the Joint School Board opened bids.

Awarding of contracts will not take place until after January 1. The complicated bids will be turned over to the Planning Committee and the architects for study.

There were 13 bidders for the general construction contract with each bidder submitting a base bid and special figures on 16 alternates including kitchen equipment, roadways, the two special purpose rooms which may or may not be included in the building, types of tile floors and other details which were held off for final decision until costs were determined by the bidding.

### Many Other Bids

Ten firms bid for the electrical work and eight each for the plumbing and heating contracts. Three alternate figures were given with each electrical bid, six alternates with each heating offer and one alternate on the plumbing figures.

Members of the Gettysburg School Authority sat with the directors and bidders' representatives. Nearly an hour and a half was required to open, read and tabulate the bids. So many bidders appeared at the meeting it had to be moved from the industrial arts room to the cafeteria.

Low bidder for the general construction work, on the basis of the base bid, is O. H. Hostetter, Hanover, at a figure of \$461,900. Other offers ranged as high as \$593,000.

The low base bid for the electrical work was submitted by I. B. Abel and Son, Inc., York, at \$32,417.

### Heating, Plumbing Bids

Heating and plumbing contracts may go to H. N. Bange, Hanover, low base bidder for both jobs. The Hanover firm's base bid for the heating contract is \$69,460 and for the plumbing, \$39,964.

After all the bids had been recorded, each accompanied with a bond or certified check for 10 per cent of the bid, Arthur E. Hutchison, as chairman of the Authority Board, announced that the bids would be turned over to the planning committee for study and recommendation. He thanked all of the bidders, some of whom represented firms as far distant as Wilmington, Del., Altoona and Cumberland, Md.

Later in the evening the Planning Committee set January 3 as the time for their meeting with the Buchart Engineering Corp. architects to study the 39 bids.

It was pointed out that the low base bids for each of the major contracts total \$603,741. Whether the actual construction figure will be more or less than that sum will be determined by the adoption or rejection of the many alternates on which bids were secured. Some will lower and some will increase the total figure.

### Additional Expenses

To that total on contracts must be added the 5½ per cent fee charged by the architects which would be about \$33,000 and another \$30,000 to \$25,000 will be needed to complete furnishing of the building. Some furniture now in use will be used in the new structure. Financing costs and other incidentals that have not been determined will be added such as counsel fees, bond printing, site acquisition and other smaller items.

The contractors who bid for the general construction work and their base bids follow: A. B. Seifert, (Continued on Page 9)

## Pleads Guilty To Two Code Charges

Richard Albert Vaughn, 22, Emmitsburg, pleaded guilty Monday evening before Justice of the Peace L. G. Kuhn, Conewago Twp., to charges of failing to stop after hitting a car and reckless driving. He paid fines and costs on both charges and was released.

The charges had been brought by state police following an accident early Sunday morning in Midway in which Vaughn's vehicle struck a parked car owned by Francis C. Storm of Hanover.

(Continued from Page 1)  
which will not be complete until the action is terminated.  
Asked by a director if the sum for Colt Park counsel fees "doesn't seem excessive," Mr. Brown answered that "it was felt that the figure is excessive but these are the only terms we have been offered." He indicated the present terms are better than an earlier demand.

Asked if any thought had been given to offering the land at public sale, Mr. Brown replied that was a decision the board would have to make.

Court viewers gave the Colt Park owners \$35,000 damages and the school board filed an appeal which had been postponed for hearing until January court. That appeal now will be withdrawn.

**Seek Court Approval**  
Mr. Brown pointed out that the proposed cost of disposing of the Colt Park land can be included in the bond issue for the new building as "cost of site" and will not have to be paid out immediately by the school boards. The Colt Park tract was not paid for pending the outcome of the appeal and no interest on that damage award has been paid by the school board.

The joint-board directed Mr. Brown to proceed with securing court approval of the proposed land return under the terms offered by the Colt Park group.

The election of John Held to the teaching position here came on recommendation of the Teacher Committee. A graduate of Gettysburg College who has completed master's degree work at Columbia and with five years' experience as a teacher, he qualifies for a starting salary here of \$3,600 which was included in the offer. He will begin his duties here as soon as he can secure his release at Fairfield.

The purchase of the new tables and chairs for the cafeteria at the high school followed the opening of bids from three firms.

**Name Chairman**  
The Raymond Home Furnishing bid was low at \$954.48. R. W. Wentz and Sons bid \$957.50 and Garrett and Buchanan Company, Philadelphia, asked \$1,145 for the 72 chairs and 12 six-foot table.

At the organization meetings held by the various standing committees, these chairmen were named for the year: Finance and Planning, Ralph W. Guise, Straban Twp.; Teacher, Mrs. Erma D. Poppay, Gettysburg; Transportation, Russell Durbin, Cumberland Twp.; Property, Glenn Bowers, Mt. Joy Twp., while the Supply committee delayed organization until January.

The board turned down a request from the Seventh Day Adventist Church for permission to hold a concert in the high school auditorium for the benefit of a church building fund. The decision was made on a voice vote.

The question of procuring an additional gas range for the high school cafeteria was turned over to the Property Committee for study. Informed that the borough solicitor has ruled that members of the borough authority do not have to be residents of the borough, the board recommended to town council the appointment of Arthur Buehler of Mt. Joy Twp. to the school authority to replace John W. Hewitt who has resigned. The board directed a letter of appreciation to Mr. Hewitt for his services.

The board granted the Alumni Association permission to use the building for the annual Christmas dance December 26.  
The directors voted to continue their present schedule of meetings during 1954.

**Introduce New Members**  
Each individual board was asked to secure from township supervisors figures on township debt and formation in preparation of the new resources to supply background information to the grade school building.

New directors present for their first meeting were introduced after the board returned to the industrial arts room after opening school bids in the cafeteria. They included Emory A. Fox and John Moring of Cumberland Twp.; John Sauter and Lewis Oyer of Franklin Twp., and Levi Spangler of Straban Twp.

The board received the usual monthly financial reports. The First National Bank as treasurer reported expenses for the last month of \$32,058 leaving a balance in the general fund of \$22,721 with total receipts listed at \$55,780. The cafeteria report showed current receipts for the month of \$2,258 and federal aid of \$722 with expenses totaling \$2,565. The activities fund report showed a current balance of \$9,879.

The report for the Athletic Fund showed a balance of \$1,584 after \$1,090 had been paid on a note and \$200 contributed to the high school band.

Dr. Wickerham presided at the meeting which adjourned at 11:15 p.m.

**Handmade gifts** were exchanged at the annual Christmas party of the Arts and Crafts Guild of Adams County held Monday evening at 8 o'clock at the YWCA.

The gifts, made by the guild members, included water colors, ceramics, and other handicrafts.

During the meeting 100 Christmas corsages were made from pine and Yuletide emblems for the guests at the Adams County Home.

Refreshments were served by candlelight in buffet style. The

table was decorated with pine, Christmas balls and red candles. Open-faced sandwiches reflected the Yuletide theme in color and shape. Mrs. A. H. Good, chairman of the hostess committee, was aided by Mrs. Robert Kleppinger, Mrs. Anna Miller and Mrs. Eugene Stetter.

**John Byers**, Littlestown, accompanied the singers at the piano. The next meeting will be held in January with the Gettysburg College chaplain, Rev. Edwerthe E. Korte, as guest speaker. The latter will discuss "Crafts and Religion" and his talk will be supplemented by the display of handicrafts designed by five guild members.

The latter, who will each give a five-minute talk on his or her subject, include: Mrs. A. H. Good, Twin Bridges, water coloring; Miss Alma Cluck, McKnightstown, weaving; Miss Rose Stock, Gettysburg, tin painting; Mrs. Paul Kessler, Hanover, ceramics; and John Byers, Littlestown, furniture. Mrs. Fern Ritchey has been named chairman of the hostess committee.

**The Tabawn Club** will meet at the home of Mrs. Kenneth P. Hull, 37 Howard Ave., Wednesday evening at 8:30 o'clock.

## AUMEN SERVICES THIS AFTERNOON

Largely attended funeral services were held this afternoon at the Bender Funeral Home for James B. Aumen, 80-year-old lodge member and community leader, who died at his home on W. Middle St. Saturday morning.

The service was conducted by the Rev. Clyde R. Brown, pastor of the Gettysburg Presbyterian Church of which Mr. Aumen was a member.

Interment was made in Evergreen Cemetery with Burgess William G. Weaver who is now Mr. Aumen's successor as president of the Gettysburg Fire Company; Horace L. Bender, his successor as secretary of the Gettysburg Aerie of the Eagles; George D. March, Ralph Fisel, Robert Neary and Bert Widder serving as the pallbearers.

Monday evening more than 200 persons visited the funeral home to pay their respects to Mr. Aumen who had been well known for years in firemen's and lodge circles. He was former state president of the Pennsylvania Firemen's Association and the Pennsylvania Eagles. He had many other fraternal and civic connections including a number of years as secretary or treasurer of the Gettysburg Chamber of Commerce.

Eagles, Gettysburg Firemen and Veterans Firemen went to the funeral home as groups Monday evening.

## SANTA TO MEET KIDS IN CABIN

Santa Claus will spend his week-day evenings, beginning Wednesday, in a Log Cabin on Lincoln Square, greeting the children of the community, through the courtesy of the Gettysburg Junior Chamber of Commerce.

Donald Becker, Jaycee secretary completed for the jolly saint to be here until almost Xmas eve. The cabin will be placed Wednesday and Santa will be there each evening from 6 until 9 with the exception of Saturdays. On Saturday he will be at the cabin from noon until 9 p.m.

Santa will provide a little treat for each youngster as a "pre-Christmas" gift.

For those who have quite a list of requests of Santa and who would like to send a letter, a mailbox will be placed beside the cabin where the letters may be deposited at any time.

## Christmas Service In Chapel Tonight

The Rev. Edwerthe Korte, college chaplain, will read the Christmas message from the Bible at a special Candlelight Christmas service this evening at 8 o'clock in Christ Chapel on the Gettysburg College campus.

Sponsored by the college, the program will be open to the public. Reading of the Christmas message will be alternated with musical selections by the Chapel Choir under the direction of Miss Eleanor Bidka. The congregation will take part in the singing of hymns and carols. The songs will supplement the narration.

Soloists for the choir will include: Virginia Feaser, "O Thou That Tellest Good Tidings"; George Williams, "The Birthday of the King"; and Anne Martin, "As On The Night." Numbers to be sung by the congregation will include "Hark the Herald Angels Sing," "Silent Night" and "Joy To The World."

College closes at noon Wednesday until January 4.

**"CHILLY WELCOME"**  
Countdowns visiting the court house early this morning received a chilly welcome. Clarence C. Smith, commissioners' clerk, explained that a fuel line to the oil furnaces had clogged and the furnace at the court house was without fire for about an hour and a half.

## YULETIDE PARTY HELD MONDAY BY LEGION WOMEN

A Christmas color scheme in red and green was carried out in candles, tablecloths and bowls of holiday greens at the annual Yuletide party of the American Legion Auxiliary Monday evening at the post home, Baltimore St., with 42 women in attendance.

At the business meeting preceding the party, it was announced that an essay contest will be sponsored by the Pennsylvania Auxiliary for senior and junior high school students on the theme, "Justice, Freedom, Liberty—American Style." The essays, not to exceed 500 words, must be in the office of the Americanism chairman of the local unit by March 15. Additional information regarding the contest will be announced later.

A five-dollar Christmas donation was given to each of the following, veteran's hospitals: Perry Point, Aspinwall, Lebanon, South Mountain and Coatesville. A \$25 donation was made for the annual children's Christmas party to be held December 23. The women also donated \$5 for the "Back to God" program sponsored by Fulton Lewis Jr., member of the National Wooden Church Crusade. It is the hope of the auxiliary that at least two churches will be built on the threshold of the Iron Curtain.

**Get Council Report**  
Mrs. Paul L. Spangler reported on the recent four-county council meeting in Littlestown. Mrs. Mary Fridinger and Mrs. Edgar Shelleman were named chairmen of the games committee for January.

Mrs. Howard Hartzell was in charge of the program which included two readings, "The Little Match Girl" and "Kris Kringle's Surprise," by Mrs. A. A. Maust. Miss Joan Bushey, daughter of Mr. and Mrs. Joseph Bushey, R. 2, sang "Blue Christmas," accompanied at the piano by Mrs. Hartzell. The games were in charge of Mrs. William Zhea and Mrs. William Pinko.

Gifts, which had been placed under a Christmas tree, were exchanged among the members. Refreshments were served in buffet style. Mrs. Morris Gitlin, chairman of the hostess committee, was assisted by Mrs. Henry Dickert, Mrs. Edeardoff and Mrs. Henry Garvin.

Mrs. Garvin, president, presided. Mrs. Dickert, first vice president, opened the program. The next meeting will be deferred until January 11, because of the Christmas holidays, when a covered dish luncheon will be served before the business session. Mrs. C. A. Deitch and Mrs. Clark Staley will be the hostesses.

lehem." "How Mistletoe and Poinsettias Came To Be Used" and the "Use and Significance of the Cherry Tree" were read by Mrs. Robert Reiter. Mrs. Weigle read interesting facts about the Bayberry, Rosemary, Christmas Rose and the Rose of Jericho. The program was closed by the singing of "Joy To The World."

Gifts were exchanged after which refreshments were served. The decorations throughout the house were in keeping of the Yuletide Season. Serving on the program committee were Mrs. Willis Weigle, chairman, Mrs. John Lawver and Mrs. Robert Reiter. Twenty-six members and three guests were present.

## Director Of

(Continued from Page 1)  
veloped) do not forget your own Department of Commerce in Harrisburg which in 1952 was the cause of 900 million dollars worth of tourist business in the Keystone State.

The possibility of spurring tourist travel by the presentation of a "Historical Pageant" written around Gettysburg's blazing chapter in the Civil War was examined by John Riddle, superintendent of the Gettysburg National Cemetery.

Riddle announced that in a recent meeting with fellow committee member Charles Weaver the idea of presenting the pageant from the Fourth of July through Labor Day—six nights each week—was discussed. Both agreed that the pageant, to be produced on a similar scale as the Williamsburg and Jamestown expositions, would demand much in expense and labor.

**Outlines Pageant**  
Riddle outlined the program of the Williamsburg, Va., pageant. He told of actors being recruited from William and Mary College, and explained how expenses were maintained by a system of admissions.

During the meeting of this committee, he said, Weaver suggested that the first step should be to find a plot of land as a pageant site and then seek state aid.

Another idea to come from the Weaver-Riddle meeting was the possibility of securing the Charles Laughon cast of "John Brown's Body" to play in Gettysburg one week this summer as a tourist attraction.

Sam Kessel, member of the "Know Your Gettysburg" committee, reported that immediately following the holiday period service organizations and women's clubs will be canvassed on the plan to better acquaint local citizens, through expense-free tours, with the history of the battlefield. This would be accomplished with the cooperation of Battlefield Guides.

**Seek CBS Film**  
In connection with the project of a more enlightened citizen education with the Gettysburg story, Kessel revealed that Mrs. Amy Beinhart, chairman, is now in New York attempting to obtain release for local viewing of the CBS television film "Lincoln's Gettysburg Address" played several weeks ago on the "You Are There" program.

John D. Lippy Jr. recounted his recent attendance at transportation and policy conferences of the Virginia Travel Council and stressed the way in which this group has projected plans to extend through 1965. He suggested a similar far-ranging course of action for Gettysburg.

He said that the Virginians plan to build welcome houses costing \$50,000 apiece at each highway leading into the State, that they are in the midst of organizing the 1967 Jamestown Exposition, and that already measures for the 1961 re-enactment of the Centennial celebration of the "War Between the States" are being tied together.

The treasurer's report revealed that the Gettysburg Travel Council has enrolled 65 members and that the balance in the treasury—exclusive of guide funds and guide association patronage—is \$903.50.

## PCBL COUNCIL

before dinner. Gifts were exchanged and Christmas carols were sung. The council presented Mrs. Raffensperger with a special gift.

During a short business session which followed the dinner, the council gave \$10 for the orphans in the Harrisburg diocese; \$15 for the Shrine of the Immaculate Conception, Washington, D. C.; and \$5 for flowers to be placed on the Blessed Virgin's altar during the Christmas season. The organization also gave a present to Rev. Fr. Anthony F. Kane, pastor of St. Francis Xavier Church, and to the Rev. Fr. Wallace E. Sawdy, assistant. There were 47 members in attendance.

The next meeting will be held in the school cafeteria December 28.

**ARRESTED AS DISORDERLY**  
William Harris, no fixed address, was arrested by borough police at the Greyhound Bus Terminal this morning at 6:30 o'clock for "drunk and disorderly" conduct. He was remanded to the Adams County jail to be given a hearing at a later date.

## Ministerium Asks Cooperation So All Can Attend January Littlestown Preaching Mission

The Rev. William C. Karns, pastor of St. John's Lutheran Church and president of the Littlestown Ministerium, has made the following announcement regarding services: "Each year the local Ministerium makes an effort to raise the religious level of the lives of the people. We all realize the significance and importance of religion in our lives. We know that without the moral principals and the spiritual unity which our religious faith instills in our hearts and minds, our free American way of life cannot endure. What the principles stand for in our lives is basic."

"With this in mind, the Littlestown Ministerium urgently requests that all of our various civic and community organizations, dedicated to the common welfare, arrange their program of activities so as to give maximum cooperation with the annual preaching mission to be held in St. Paul's Lutheran Church for one week, each night at 7:30 p.m., beginning January 3. Organizations, clubs, etc., are urged to attend these services in a body. Your cooperation will be greatly appreciated."

**Plan Sessions**

A Christmas party with exchange of gifts will take place at the December meeting of the King's Daughters Sunday School class of St. Paul's Lutheran Church on Wednesday evening at 7:30 o'clock in the church social hall. Mrs. Charles E. Rabenstine and Miss Kathryn Streig comprise the hostess committee.

The December meeting of the Women's Community Club of Littlestown and vicinity will be held on Wednesday at 7:45 p.m. in the POS of A Hall. Members will take their contributions for the Christmas welfare baskets. Gifts will be exchanged during the social hour. Mrs. Chester S. Byers is chairman of the program committee, and Mrs. Edward H. Lelsiter heads the hostess committee. An executive board meeting will precede the regular club program, beginning at 7:15 p.m.

Members of the Senior Choir of St. Paul's Lutheran Church will meet for rehearsal on Thursday at 7:30 p.m.

The Littlestown Men's Chorus will not rehearse again until Thursday, January 7, meeting at St. Paul's Church at 6:45 p.m., for a rehearsal prior to singing at the preaching mission service there that evening.

## LADIES NIGHT HELD BY LIONS IN EMMITSBURG

The Emmitsburg Lions Club held its 24th annual Charter and Ladies' Night Monday, in the Charles J. Rowe Memorial Annex of the VFW. The meeting was arranged by the program committee with Lion Philip Sharpe as chairman. Honor guest of the evening was District Lions Governor Murray B. Ryan of Baltimore. Mrs. Ryan accompanied her husband. Other guests of the club were VFW Commander Fern Ohler and Mrs. Ohler, Lion Allen Creager and Mrs. Creager and Lion Lloyd Mackley and Mrs. Mackley all of Thurmont and Lion Clarence Wilson, Fairfield.

Lion Sharpe presented Commander Ohler who welcomed the group and said this was the first community affair held in the new building. The VFW has opened the building to various community affairs until the long proposed Community Hall is a reality. Lion Sharpe next called on Governor Ryan who spoke briefly and urged the Lion to remember the District Testimonial Dinner to be held January 30 in the Hood College Dining Room. This dinner will honor International Councilor Massey Roe who is the first man from District 22W to attain a position on the International Council.

### Glee Club Sings

The Mount Saint Mary's Glee Club was next introduced and sang several selections under the direc-

tion of their Director Father David Schaum. The Glee Club sang, "Spirit of Music," "A Folk Song Medley," and "Twas the Night Before Christmas." Charles Driscoll, a concert pianist and a student at the Mount, played "Malaguena" as a piano solo. James Campbell, tenor soloist, sang, "If I Could Tell You" and Robert Ocelin, baritone, sang "Shortnin' Bread."

The remainder of the evening was devoted to dancing to the music of the "Four Hits and a Miss."

The new annex was decorated in keeping with the Christmas season. A lighted Christmas tree and candles and Yule Logs were the principal decoration. A turkey dinner was served by the ladies auxiliary.

Mr. and Mrs. Bernard Eckenrode entertained on Sunday afternoon at a birthday party in honor of the fourth birthday of their daughter, Juliet. The guest of honor received many gifts. The birthday table was centered with a pink cake topped with four candles. Guests present were Joseph and Audrey Eckenrode, Sylvia Warthen, Michael Byard, Window washing can be lightened if you assemble all your tools before starting. Place the pail or pan of cleaner on a high stool to avoid needless stooping. When you finish washing one window, move your equipment to the next to be cleaned.

Further details concerning this affair will be published in the near future. Several new innovations are promised by the committees in charge.

## Now... See and Try America's First Transparent-Top Car!

Now really see the scenery—and high traffic lights—without bending your head. The permanently fixed transparent section is made of super-tough plexiglas.

1954 Mercury's revolutionary new Sun Valley lets you see through the roof! Yet that green-tinted plexiglas section gives hard-top protection against wind and weather.

No, this isn't one of these someday-maybe "dream cars." The new Mercury Sun Valley is already in quantity production. It's on display right now at our showroom. And it costs much less than you would expect.

You have a wonderful sensation of driving with no top at all—except that you enjoy the wind and weather protection of a standard sedan or hard-top. The soft light that filters through the sea-tinted plexiglas top is cool, restful—like swimming under water. Even

the interior trim is specially designed to match the spirit of this new kind of car. Entirely new 161-horsepower engine—The new Sun Valley, like the 7 other stunning, newly styled Mercury models, features a completely new overhead valve V-8. It's the same type of engine that most engineers agree is the smoothest, most efficient in the world. It has more power per pound, more power per cubic-inch displacement, than even Mercury has ever been able to offer before.

**Mr. Plank's Good Record:** According to the American League baseball averages just issued, "Eddie" Plank, of near this place, leads the Athletic pitchers in games won and also leads his team in pitchers' fielding average. This is a record of which Mr. Plank can well feel proud.

**Durboraw-Benner:** The hospitable home of Mr. and Mrs. John V. Benner, of Mountjoy township, was the scene of a pretty wedding on the 10th inst., the contracting parties being their only daughter, Annie Gertrude, and Robert Hays Durboraw, of Cumberland township. To the strains of a wedding march rendered by Miss Verna Munshour, the happy couple, preceded by Charles Durboraw and Miss Ruby Walker, entered the parlor, where they were met by the Rev. William G. Minnick, who performed the ceremony. Following the ceremony, a bountiful dinner was served.

**Golden — Hartlaub:** On Tuesday, the 15th of December, James I. Golden, son of Reuben Golden, of York, and Miss Bessie Hartlaub, daughter of Mr. and Mrs. John Hartlaub, of Two Taverns, were united in marriage at St. John's parsonage, near Littlestown, by Rev. C. P. Bastian. Miss Virgie Musser was bridesmaid and James Noel was best man.

**MARRIAGES:** Gardner - Bream, Dec. 8, at Idaville, by Rev. Oscar H. Gruver, C. B. Gardner, of Idaville, to Miss Grace Bream, of Heidlersburg.  
Shultz - McDannel - Dec. 8, at Arendtsville, by David Thomas, J. P. Harry D. Shultz to Miss Ellen McDannel, both of Franklin township.

**New Electric Plant:** On Tuesday a movement was started to install a new Electric Light Plant for this borough. Shares are \$25 each, and quite a number of our people have taken stock. If enough of shares are taken, light is promised to us in 60 days. Adam Ertter is canvassing the town in the interest of the new company, and will take subscriptions.

**Local Miscellany:** The rabbit hunting season closes today. Our ice men are busily engaged in housing ice. It is said to be 10 inches thick and clear as crystal.

Among the Charters issued during the past week at Harrisburg, was one to the Gettysburg Brick Company, of Gettysburg, Pa., amount \$20,000. Application will be made for an increase of this charter to \$40,000.

The employees of G. W. Weaver and Son presented Mr. and Mrs. G. W. Weaver with a handsome gilt candelabra and 2 gift vases, on the anniversary of their golden wedding last week.

On Tuesday J. Emory Bair handed in his resignation as a director of the Gettysburg National Bank, and Dr. N. C. Trout, of Fairfield, was elected to fill the vacancy.

Wholesale dealers advanced the price of crackers 1 1/2 cents per pound and Arbuckle and Lion coffee 1/2 cent per pound.

There were plenty of turkeys left over from Thanksgiving and the price has somewhat decreased, not much, however, as these fowls are bringing from 16 to 18 cents per pound.

Those of our patrons who know themselves to be indebted to us will do the proper thing by sending us a few dollars. We need a few silver wheels for Christmas.

**They Made Fine Light:** Five Weisbach Gas Lamps were put in operation in the town for several nights by A. B. Plank, Supt. of the gas company. The lamps furnished excellent light and were a great convenience to our citizens, the town being without electric light.

**Election of Officers:** On Thursday evening Good Samaritan Lodge No. 336, F. and A. M., elected the following officers: W. M. S. A. Hammond; S. W. T. C. Billheimer; J. W. James M.

## Today's Talk

By GEORGE MATTHEW ADAMS  
ON YOUR TOES

The swift runner takes to his toes. They give him bounce and agility. The clever boxer also pays tribute to his toes. He can dodge, move quickly, and has a better control of his movements, which have to be made with precision.

This expression "on your toes" has become a success cry and is interpreted as being alert, watchful, and awake. He who is determined to win out in life, who will not bridge defeat, nor accept any substitute for success as he goes along, is sure of an honorable place among his fellows and he will thrive on an inward satisfaction that nothing else can give.

The reporter must keep on his toes in the gathering of news, which must be fresh, crisp and interestingly written. Such a one is an inspiration to himself and to the newspaper which he serves. The dancer gets what I mean. His, or her, toes are what furnish smoothness of movement and rhythmic ease. Toes are often one's fortune!

We can't very well—to our credit—flatfoot our way through life. We have to keep on our toes and give them all that we have within us. It's more than a physical process. It gives to us a spiritual quality that is undefeatable. The race is to the one with a will and a way. It's a matter of plan, imagination, and forwardness.

The first command to the runners in a race is this: On your toes! That is the beginning. And it is often the good start that suggests the finish. This should be borne in mind by us all as our mind is set upon our objective.

Tomorrow Mr. Adams will talk on the subject: "Parting Advice." Protected, 1953, George Matthew Adams Service

## CANNOT FIND PERSONNEL FOR STATE POSTS

**HARRISBURG** (P)—Finding additional personnel is a large obstacle to declaring a 40-hour work week for employees of Pennsylvania's welfare, medical and prison institutions, state officials agreed today.

"Employment conditions vary in different areas of the commonwealth and where employment is full it is difficult to get help for institution work," said E. S. Ervin, deputy welfare secretary. Nevertheless, the 40-hour week will be started Jan. 1 at 32 institutions administered by the State Welfare Department, Ervin added. These include 21 mental hospitals, 10 medical and surgical hospitals and the Morgantown Training School. Where additions to the staff cannot be turned up immediately employees will be paid overtime rates for anything above 40 hours a week.

**Gets Larger Budget**  
The Welfare Department was allocated an additional seven million dollars in its biennial appropriation to allow for increased costs due to additional salaries. A similar program is being carried out in the four tuberculosis sanatoriums and the Satter Hospital for Crippled Children at Elizabethtown, all operated by the State Health Department.

Donald Lemon, personnel director for the department, said Jan. 1 is the tentative date for initiating the 40-hour work week in those institutions.

Prison employees at the commonwealth's seven penal institutions also will go on the 40-hour work week as soon as possible during 1954. These come under the Bureau of Correction, an arm of the Justice Department.

## Questions Soundness Of Scholarships

**PHILADELPHIA** (P)—Dr. Victor L. Butterfield, president of Wesleyan University, Middletown, Conn., said last night he questions whether "college athletic scholarships as such are sound or even honest."

"Scholarships of this kind," he told a banquet audience of school-boy football players, "are given in the interest of the institution, not in the interest of the boy."

He advised the boys to attend college "where possible" without an athletic scholarship. "But if a scholarship is advisable," he said, "beware of double talk and exploitation."

Dr. Butterfield, a Cornell football player in 1925-26, spoke at the Philadelphia Inquirer's 11th annual Gold Football Award dinner honoring all-star teams of three school-boy leagues in the city.

## Miss America Is "Honorary Miner"

**EPHRAATA, Pa.** (P)—Pretty Miss Evelyn Ay, who is reigning as Miss America of 1954, has a new title today—that of "Honorary Coal Miner."

Wearing a coal miner's helmet, Miss Ay of Ephrata, Pa., was presented a necklace and other jewelry carved from polished anthracite last night. The Ephrata Junior Chamber of Commerce sponsored the dinner at which the presentation was made by H. S. Long and J. S. Bomberger of Littleton, representing Lancaster County in the Pennsylvania Anthracite Industry Council.

**NEW YORK** (P)—Richard Algett of Berwick, Pa., has been elected captain of the Fordham football team for 1954. Algett, a senior next fall, is a 6-3, 200-pounder who played right guard for the Rams in '53.

## TWO WILL DIE ON MARCH 15

**HARRISBURG** (P)—Two convicted slayers, Joseph Bibalo of Susquehanna County, and Oscar McGrew, Erie County, will be executed in the electric chair the week of March 15, 1954.

Gov. John S. Fine set the same execution date for both yesterday after the State Supreme Court turned down appeals in both cases. Bibalo, 20, of Uniondale, was convicted in April, 1952 of the rifle shooting of Anthony Shema, 44, Forest City, in a wooded area near Elk Mountain, Susquehanna County.

Bibalo told police he killed Shema to get an automobile. The shooting occurred six months after Bibalo was released from a reformatory where he served time for arson and larceny.

McGrew was convicted for the fatal shooting of his 3-year-old stepson, Douglas, on May 15, 1952. McGrew turned the gun on himself after killing the boy. He was hospitalized for several weeks but recovered.

## British Teacher Cites Bad English Training

**VANCOUVER** (P)—Dr. Norman MacKenzie, president of the University of British Columbia, says complaints that Canadian university graduates cannot use their mother tongue either in writing or speech are "too widespread to be treated lightly."

And he thinks at least part of the blame is buck passing by some university departments.

In his annual report on UBC activities, Dr. MacKenzie says, "departments of English have the major responsibility for the study of English literature as a body of knowledge but should have no more responsibility than other departments for the study of English as the language of instruction."

## GHS Dribblers At Delone Tonight; Virginia Host To Bullets; Cannors At Home

Tonight the Gettysburg High School and Gettysburg College basketball teams will be in action on foreign courts, the Warriors meeting Delone at McSherrystown while the Bullets clash with the University of Virginia at Charlottesville.

Each also has another game listed during the week. York High School sends its strong outfit here Friday night to oppose Coach George Forney's lads while the Bullets engage Johns Hopkins University in Baltimore Wednesday evening.

The Warriors will undoubtedly be furnished heavy opposition tonight at McSherrystown. Johnny McMahon's Squires opened their season with victories over Littlestown and East Berlin before running into Hanover High last Friday and losing on the Hawks' floor by a sizable margin. Delone has only one letterman, Ruben Bair, but newcomers have shown considerable promise to raise hope for a successful campaign. Tonight's game will be the first home contest of the Squires.

Coach Forney's Warriors trounced Westminster 50-34 in their only previous start. The squad played well from time to time and more improvement is anticipated as experience is gained.

The Bullets' assignment at Charlottesville will call for another top performance. Virginia has one of its best teams in some time and in "Buzz" Wilkinson, 6-1 forward, has one of the finest performers in the Atlantic Conference. Last year the Bullets whipped the Cavaliers here 100-79.

**Additional Games**  
Three additional scholastic games Littlestown will play at New Windsor, Washington Township at Biglerville, and East Berlin at York Catholic.

Wednesday's program will find two scholastic teams in action, Manchester at New Oxford, and Fairfield at Smithburg, Md.

In addition to the York-Gettysburg game Friday night, other school games will include Biglerville at Shippensburg, East Berlin at Delone, Scotland at New Oxford, Littlestown at Manchester, York Springs at St. Mary's Catholic, Hagerstown, and Quincy at Fairfield, on the Hotel Gettysburg Annex floor.

## ANTLERLESS DEER SEASON CLOSES TODAY

HARRISBURG (AP)—Pennsylvania's two-day antlerless deer season ends today with thousands of sportsmen after game despite snow, rain and chill.

Game Commission officials were unable to estimate the number of deer killed yesterday but termed the special season a "success despite the unfavorable weather."

No hunters were reported accidentally killed by gunfire on the opening day of hunting as compared with six killed on the first day of the antlered deer season.

Davis Butts, 61, of Forest City was found dead in the Wayne County woods by a companion, Anthony Dessler, also of Forest City, yesterday. Arthur Bryant, Wayne County coroner, said Butts died of a heart attack.

"A goodly portion of the state's 103,000 licensed antlerless deer hunters took to the fields in quest of deer which were plentiful this year in proportion to the number of licensed hunters," a commission spokesman said.

**Weather Not Good**  
Fields and forests in most sections of the state were soggy and slippery and greatly slowed down hunters. Some sportsmen drove to game sites only to remain inside their vehicles and return home without attempting to shoot a deer.

The doe hunt, last of Pennsylvania's three separate deer seasons, ends at 5 p. m. today.

A Reading man, Bert Mackley, bagged a 150-pound deer at 7:10 a. m. yesterday in the mountains near Hamburg for the first reported kill of the season. The veteran Mackley thus landed his 19th deer in as many hunting seasons.

Two more early kills were recorded in Lycoming County when Mrs. Robert Bastian and her son, Edward Woodward, both of Williamsport, each landed a deer near Ralston a half hour after the season opened.

Richard Ellis of Harrisburg R. 2, got a 110-pounder in Middle Paxton Twp., Dauphin County. Early reports indicated that the kill was light in many areas. Only three deer were reported taken in the north central area around Williamsport.

One was an albino doe landed by Jason B. Little of Nordmont, a deputy game warden. He got the animal near Nordmont in Sullivan County.

The Game Commission still held hope that after today's action the total kill would be fairly high.

## EYE OLD GRADS FOR MINNESOTA COACHING POST

By JIM KLOBUCHAR  
MINNEAPOLIS (AP)—Minnesota fondly eyed a pair of famous old grads to fill its head football coaching job today and hoped against harsh facts the home school lure would be strong enough to bring one of them back.

But the odds were against either Bud Wilkinson of Oklahoma or Biggie Munn of Michigan State returning to Minnesota, where they starred as players.

Wilkinson and Munn at least were a starting point in speculation on a successor to Wes Fesler, who resigned yesterday to take an executive position with radio station WDCY in Minneapolis.

**Staying Where They Are**  
Both Wilkinson and Munn have reached pinnacles at their respective schools. Wilkinson rejected the Minnesota job when Bernie Bierman resigned in 1950 and said "the situation at Oklahoma is the same as it was three years ago."

Eight years remain on his 10-year contract.

Munn's main interest right now centers on the Michigan State athletic directorship. He conferred with Michigan State president Dr. John Hannah last Friday on his future at MSC but it was understood then Munn had decided to stay with State.

Ralph Young, the current Spartan athletic director, will reach retirement age in 1955.

**Other Possibilities**  
Those stern realities left these other apparent possibilities for the post which Fesler leaves for the security of private business:

John Roning, a former assistant coach at Minnesota who this year won eight games and lost three at Utah. Roning said he might be interested in the Minnesota job but he added: "I don't know just how I would react to an offer."

Butch Nash, now end coach and a recent applicant for the University of Kansas head coach's position.

Bierman, who elevated Minnesota to football greatness, then resigned after a string of disappointments in the post-war period.

Milt Bruhn, Wisconsin line coach, who was considered for the job three years ago.

**Others Mentioned**  
Others mentioned include Lyle Clark and Dick Fisher, two of Fesler's assistants.

Ike Armstrong, Minnesota athletic director, said a decision may not be reached until the NCAA meetings in Cincinnati Jan. 6-8.

Pressure was building from alumni for the appointment of an "M" man to succeed Fesler, an Ohio State graduate. The University of Minnesota "M" club yesterday urged the school to give "prime consideration" to a Minnesota graduate for the job.

Wilkinson, Munn, Roning, Nash, Bruhn and Bierman all are Minnesota grads.

**SATISFIED GRID COACH**  
PERU, Neb. (AP)—Coach Al Wheeler's first football team at Peru State Teacher's College back in 1938 won only one game.

Wheeler expected repercussions but no one mentioned the poor record.

Maybe that's why he has been here since, though he has had offers for better jobs as a result of undefeated seasons in 1940, '42, '52 and '53.

## Unbeaten Hofstra Wrestlers Oppose Bullets Tonight

Tonight at 8 o'clock Jack Shainline's Gettysburg College wrestling team makes its debut by meeting unbeaten Hofstra in the Eddie Plank Memorial gymnasium.

With but three lettermen from last year, Coach Shainline is banking heavily on sophomores and five are listed to meet opposing Dutchmen tonight.

Sam Evangelista, 130, and Ronnie Miller, heavyweight, are seniors and are competing for the third year as varsity grapplers. Jim Howard, 137, junior, is the other letterman.

Other entries tonight for the Bullets will be Ted Webster, 123; Dave Turnbull, 147; Bill Sells, 157; Bob Siebold, 167, and Dick Mitchell, 177.

Hofstra has won three meets, including decisions over C.C.N.Y. and Brooklyn Poly Tech.

## MOUNTAINEERS WIN 2ND GAME

Mt. St. Mary's won its second straight Mason-Dixon Conference basketball game by trouncing Catholic University 75-61 Monday evening at Washington, D. C.

Catholic took a 15-11 lead in the first quarter but fell behind 36-26 at half time and trailed thereafter. The loss was the seventh straight for the Washington outfit.

Sal Angelo paced the Mountaineers with 16 points while Tom McKavitt connected for 21 for Catholic U.

Western Maryland will be host to the Mount dribblers in another conference game Wednesday evening.

Fairfield High School lost its fourth straight basketball decision Monday evening when it bowed 47-34 to Emmitsburg on the latter's floor.

After playing to a 4-4 tie in the opening period, Fairfield fell off to trail 14-9 at the half. Emmitsburg poured 18 points through the net to pile up a safe lead in the third quarter.

McNair was the top scorer of the evening, landing 15 tallies for the winners. Gary Dolly tallied an even dozen for Fairfield.

The Emmitsburg reserves won the preliminary game 30-27.

Fairfield will play at Smithsburg, Md., Wednesday evening.

## TRACK CAREERS OF WHITFIELD, SANTEE PERILED BY TOUR PROBE

NEW YORK (AP)—The brilliant track careers of Mal Whitfield, the world's top half-miler, and Wes Santee, America's fastest miler, were threatened today by an Amateur Athletic Union investigation.

The probe, growing out of a European tour by an American track team last summer, was disclosed last night by Dan Ferris, AAU secretary, who said it concerned alleged violations of the amateur rules by the pair.

If the charges are proved, Ferris said, both runners could be barred for life.

**Ineligible For Award**  
They are not under any form of suspension at the present "because right now the evidence is too thin," Ferris said. He added however, that the charges—under investigation for nearly four months—had barred either man from consideration for the Sullivan Award, the AAU's highest honor to an amateur athlete.

Both Whitfield and Santee were omitted when the list of eight athletes eligible for the coveted award was announced last month at the AAU convention in Washington. This was despite the fact that Whitfield had been nominated by the Metropolitan New York AAU for the award.

In addition, Whitfield broke two records during the summer and three last winter in the indoor campaign. And Santee's 4:02.4 mile at the Compton, Calif., relays last June was the fastest every by an American.

"Thought He Was Satisfied"  
Santee said last night after Ferris' disclosure that after their return from Europe both he and Whitfield had "spent quite a bit of time talking those things over with Dan Ferris, and I felt then that he was satisfied."

In Los Angeles Whitfield denied that he had injured his amateur standing during the European tour. He said he had never accepted any prizes except those approved by AAU officials. Whitfield said he and Santee both felt Ferris was satisfied with the situation after their long talk with him.

Whitfield arranged to meet today with Larry Houston, regional secretary of the AAU in Los Angeles.

Ferris said the alleged violation of rules by Whitfield took place in Sweden and that he believed that charges against Santee developed out of Germany.

The brilliant miler agreed that his only trouble on the tour came in Germany, but insisted that he already has explained it all to AAU officials.

"When we race on those tours," Santee said, "they offer prizes that are products for which the locality is famous. The prizes may be steel knives, or suitcases, or glassware, or cameras and so on."

**A Camera Fan**  
"I am a camera fan, and when we went to Germany I suggested that all my prizes be pooled so that I would get just one—a robot camera. A German AAU official agreed."

"But when the tour was over he said they could not give me the camera, and I let him know that I was very much disappointed and chagrined. I felt that if they could not give me the camera he should have told me so in the first place."

Santee also said that he roomed with Whitfield on most of the tour and added: "I'm quite positive he didn't ask for the things that he was accused of asking for."

Ferris said that the American AAU had asked the governing athletic bodies in Europe to substantiate the charges.

**Without Consent**  
"We received some information from them just before the Washington meeting," he said. "Now we have to hear the boys' side of the story. Then we will send that back to Europe. Right now it is still more like rumors than anything else."

Whitfield said Ferris' investigation apparently was prompted by two incidents, one a so-called "endorsement" of German track shoes appearing in a sports magazine and, two, a proposal of the Americans to forego several small prizes for one "good" one.

Whitfield, in an interview, said the picture in the magazine and its accompanying caption were published without his knowledge and consent. He said he received no payment for the picture or caption.

## Williamsport High Application Dropped

ALLENTOWN, Pa. (AP)—Williamsport High School has withdrawn an application for membership in the East Penn schoolboy basketball league to prevent an embarrassing situation between PIAA Districts 4 and 11.

That was the reason given yesterday by Phil Philippi of Bethlehem High School, president of the six-team circuit. Williamsport, he explained, is in District 4 while all members of the league, one of the strongest in eastern Pennsylvania, are in District 11. The members are Allentown, Allentown Central Catholic, Hazleton, Pottsville, Bethlehem and Easton.

The application brought up the question of which school would represent the league in the state playoffs if Williamsport were admitted and were to win the league title.

Hazleton and Pottsville were not represented at the short meeting.

## KUENN CHOSEN AS ROOKIE OF JUNIOR LEAGUE

MILWAUKEE (AP)—Harvey Kuenn, Detroit Tiger shortstop and onetime "bonus baby" who probably cut his first tooth on a baseball bat, is the American League's Rookie of the Year.

The brilliant but modest youngster, a native Milwaukeean, wasn't so sure he deserved the honor when told last night he had been picked by 23 of the 24 members of the Most Valuable Players Committee of the Baseball Writers Assn.

"I almost thought it was a gag," Kuenn said last night after Ferris' disclosure that after their return from Europe both he and Whitfield had "spent quite a bit of time talking those things over with Dan Ferris, and I felt then that he was satisfied."

In Los Angeles Whitfield denied that he had injured his amateur standing during the European tour. He said he had never accepted any prizes except those approved by AAU officials. Whitfield said he and Santee both felt Ferris was satisfied with the situation after their long talk with him.

some of the boys were pulling on me . . . But I'll do everything I can to live up to everyone's expectations," he said.

Kuenn, who might consider the award a belated birthday gift—he turned 23 a few days ago—has been pretty good at living up to expectations ever since Harvey Sr. put a tiny bat in his hands when the lad could hardly walk.

Between that day and this there's a long list of sports accomplishments and records shattered in baseball, basketball and football, capped by a sensational debut with Detroit this year.

**Paid \$55,000 Bonus**  
The Tigers were in last place when they parted with a reported \$55,000 bonus to outbid 10 other clubs for the University of Wisconsin baseball star in June 1952. He went up to Davenport of the Three-I League and Detroit brought him up at the end of the 1952 season. His 1953 record included:

A fielding percentage of .975 based on only 21 errors in 770 chances.

A batting average of .308, sixth in the league among players with 400 or more times at bat.

Being the first player in the league to hit 200 safeties. (His total of 209 was highest for both leagues.)

Setting an American League record for times at bat—679.

Hitting 33 doubles, seven triples and two homers.

Kuenn has been rated higher as a hitter than a fielder, but he was second only to the Browns' Bill Hunter in total chances. Hunter had 821 to Kuenn's 770.

## SANTA and the FLYING PUP

By LUCRECE HUDGINS BEALE

AP Newsfeatures

"Let us look up this great big word in the dictionary."

SYNOPSIS: Mr. Not Much and Mr. Very Little ran to Santa as soon as they saw that Willie was being swept away in the middle of a snow cloud. Santa quickly went to the Cloud Keeper who turned the cloud to rain, and Wil-

said Santa to Willie the pup. "A long time ago my reindeer were like all other reindeer. They lived with a great herd of their brothers and sisters and not one of them ever dreamed of flying.

"Then there came a time when eight of those deer did a truly unselfish thing. When they had done it they found, to their amazement, they were no longer like other deer for now they could fly!

"And that is how it happens that my deer are the only ones in the world that can fly."

Willie waited for Santa to go on. But Santa was silent. So Willie said, "But, go on! What was this truly unselfish thing they did?"

Santa shook his head. "I do not know," he smiled. "For you see that is often the way with a truly unselfish deed. No one except the person who does it knows what it is."

"I don't understand at all," said Willie. "I do not even know what unselfish means."

"It is hard to explain such things," said Santa. "It is something each person must discover for himself."

Then Santa and his helpers went back to their work. Willie and the Dreamlins went into Santa's house and sat down to think.

"Let us look up this great big word in the dictionary," said Mr. Not Much after a great deal of thought. "Then we will know how to proceed."

The two Dreamlins studied the dictionary on Santa's desk for a long while. Then Mr. Very Little said, "To be unselfish means simply to forget yourself, to do or give

up something for someone else." "Why that isn't difficult at all," said Willie happily. "I think I shall just go down and talk to the reindeer for soon I shall be flying with them."

Wagging his rear end confidently Willie took off for the stables. But he never got there for on the way he passed around Santa's back porch. There, sitting by the rear door, was Santa's big garbage can.

"My goodness," thought Willie. "That can is simply bulging over. Perhaps I should empty some of it so that it will be easier for Santa to put in more."

He placed his front paws against the can and pushed and pushed until over it crashed dumping most of its contents all over the ground.

What a feast there was for Willie! For a moment he could only

stand and stare at the delicacies that lay before him.

"Where but in Santa Land could a dog eat so well?" he thought gratefully. "Surely I am the luckiest puppy alive and even when I learn to fly I will never leave this land."

As soon as he thought of flying he remembered the unselfish deed he must do and immediately he had a grand idea.

"Instead of keeping all this for myself," he said, "I shall give some of it away. Not only that but I shall give it to someone I do not like very much. Surely nothing could be more unselfish than that!"

Enormously pleased with himself Willie immediately fished out of the garbage an old beat up ham bone and trotted away with it to a

little cottage nearby. On the front of the cottage was a sign saying, "Home of Patrick Tweedleknoses. Keep Out."

Willie deposited the bone at the door and trotted back for another load. He worked without a pause and before long there was an immense "gift" at Patrick Tweedleknoses door. There were orange peels, egg shells, tea bags, stale bread, hunks of fat, potato skins, carrot tops—to name just a few of the tempting morsels laid there.

Not one single bite of anything did Willie take for himself.

"Now," he said when at last he had finished, "now I shall fly!"

But before he could make the smallest leap from the ground Patrick Tweedleknoses himself opened his front door and with a mighty roar stepped out.

## Aviation Workers Reach Agreement

LOS ANGELES (AP)—Striking North American Aviation, Inc., employees in Fresno, Calif., have ratified a union-management agreement providing a 4 per cent wage increase. Workers at plant here and in Columbus, Ohio, ballot today.

The agreement was reached by negotiators here early yesterday, presaging an early resumption of warplan production. Some 33,000 workers in the three plants left their jobs Oct. 22.

The agreement between North American and the CIO United Auto Workers came a few hours after new contracts had been ratified by 25,000 employees at Lockheed Aircraft Corp. and Douglas Air-

## OPINIONS VARY ON WHO SHOULD GUIDE DEFENSE

WASHINGTON (AP)—Sharp divisions of opinion on defense security and federal-local responsibilities for protecting communities against possibility of atomic bombing have broken out among U.S. mayors who conclude a White House conference today.

Civil Defense Administrator Val Peterson contended in a television debate ("The Big Issue," Dumont) last night that the cities and only the cities can do what is needed to minimize death and destruction if atomic war should come.

His statement elaborated on the line taken by President Eisenhower in opening the unprecedented mayor's conference yesterday. The President said that for the federal government to move in on civic preparedness would be "unwarranted interference and justifiably resented" by local authorities.

Mayor Clark Differs  
Democratic Mayor Joseph S. Clark Jr. of Philadelphia sharply challenged this point of view, declaring civil defense will be "a dead duck" unless Washington takes the primary responsibility, and puts up most of the money.

Other mayors taking part in the program quickly took sides.

Mayor Alec M. Clark of Indianapolis said people out his way "believe pretty much in self-government" and doubt if they'd get as much out of a federal program as they would put into it in taxes.

Houston's Mayor Roy Hofheinz joined Clark, however, in criticizing the administration, saying the federal government has not done all it should do to give the people the facts of atomic age life.

Resents Barring Reporters  
Hofheinz blasted what he called the "shroud and cloak of secrecy" of the current conference. He said he failed to see why reporters were barred, adding:

"I just want it to take movies of the baby..."

## SISTER FLIES TO TOKYO HOPING TO SEE BROTHER

TOKYO (AP)—The sister of an American war prisoner who chose communism prepared today to fly to Tokyo, where the mother of another unrepatriated American waited on the slim chance that she would get to see her son.

Myrtle Elaine Wilson of Urania, La., sent a radio message saying she was coming to Japan in hopes of seeing her brother, Cpl. Aaron Wilson, one of 22 Americans who stayed with the Communists.

The message was addressed to Mrs. Portia Howe of Alden, Minn., who flew here last week hoping to see and persuade her son, Pfc. Richard Tennessee, to come home. There was no sign that the U. S. Defense Department has modified its ban on trips to Korea by relatives of the unrepatriated American prisoners.

Miss Wilson asked Mrs. Howe to send the following message to her brother:

"Hi Aaron, I'm coming to Ja-

pan in hopes that I can see you. I'll send you another message when I get in Japan. Please ask permission to see me. Mom and Dad are not able to make the trip. Both are in bad health. Please do as I say just once as I want to see you again. I'm praying for you.

(Signed) "Myrtle Elaine." Miss Wilson did not say when she expected to arrive.

Mrs. Howe said tonight, "I have decided to stay in Tokyo until the last possible chance for my son to come home has gone." She added however she has given up hope of going to Korea.

She had reservations on a Northwest Airlines plane for both Wednesday and Saturday but said she had decided to cancel them because she wanted to wait until the expiration of the explanations period Dec. 23. Prisoners who have not returned home by then will not be repatriated, according to terms of the armistice.

"I have decided to stay until everything is finished," Mrs. Howe said in an interview. "I know that the hope of seeing my son is a very slim one—but still I cannot go back now."

"I don't feel my trip is a failure. I'm not going to give up. The whole object of my trip was to

## CONGRESSMEN NOT FAVORABLE TO UMT PLANS

WASHINGTON (AP)—Most members of Congress who expressed themselves today on a presidential commission's recommendation for a military manpower policy recoiled from its central idea—universal military training for youths not drafted.

The National Security Training Commission said yesterday in a special report to President Eisenhower that UMT could be put into effect by January 1955, or earlier, operating simultaneously with the draft. The plan would require congressional approval.

The commission proposed a lottery to determine whether a youth would get six months training or be required to serve two years as a draftee.

### Might Save Money

The group said the program, while not achieving absolute equality, at least would avoid what it called the present unfair situation in which veterans are the only reservists available to be called up in a sudden war emergency.

Under the proposed UMT program, the trainees would be called ahead of veterans.

The commission contended its program also might save money by permitting a reduction in the regular military forces, and might help deter war by setting up a steady program of long-term preparedness.

However, the arguments apparently made little impression on most members of Congress available in Washington for comment.

House Speaker Joseph W. Martin Jr. said flatly, "I don't think the program would have much chance." He added that "Congress has already said the draft and UMT should not operate concurrently."

Rep. Short (D-Mo.), chairman of the House Armed Services Committee, which would have to act on a UMT bill, declared, "I am opposed to UMT. It won't work."

"Very Much Opposed"

Rep. W. Sterling Cole (R-N.Y.), chairman of the Senate House Atomic Energy Committee and a member of the House Armed Services Committee, commented that with the increasing emphasis on atomic weapons "the need for large numbers of men in uniform is considerably lessened."

Rep. Allen (R-Ill.), chairman of the key House Rules Committee, said, "I've always been against it and still am."

Sen. Edwin C. Johnson (D-Colo.) said, "I'm very much opposed to UMT," adding, "I don't think it can operate with the draft at all."

### Duff Favorable

Sen. Duff (R-Pa.), however, said he is "in complete accord" with the commission report. He said it "imposes an obligation upon all citizens of military age, it distributes the burden in a fair way" and makes possible an effective reserve without the expense of big standing forces.

Some lawmakers who have favored UMT were not in Washington. However, others said privately they fear the 1954 session is the wrong time to bring it up. They pointed out that it is an election year and the legislative program already is crowded.

After the Korean truce was signed, President Eisenhower asked the commission to take a look at "inequities" in the method by which military reserves are set up and other manpower problems.

The commission's report made public yesterday was in response to this request.

Commission members who talked with the President yesterday said he did not indicate whether he would include a UMT bill in his 1954 legislative recommendations.

## NSC TO RECEIVE NIXON REPORT

WASHINGTON (AP)—Vice President Nixon has a briefcase full of problems, all studied at first hand, to spread before the National Security Council, perhaps today.

They deal with situations he examined in 70 days of travel and conversation with heads of government and plain citizens in Asia, the Middle East and the Pacific. These range from Australian unhappiness over some U.S. trade policies to the risks that a truce in Indochina would bring.

The council, composed of top officials of the executive department responsible for national policy at the highest level, has first call on Nixon's report on the trip that ended yesterday. Later this week and next he meets with congressional leaders and State Department officials.

Nixon said President Eisenhower would decide whether there is to be a radio-TV report to the nation. He had a preliminary talk with the president yesterday.

## BIG THREE IN BASKETBALL ADD VICTORIES

NEW YORK (AP)—Indiana, Kentucky and Duquesne—the big three in the first Associated Press weekly basketball poll—are making the experts look good.

No sooner were they selected by the sports writers and broadcasters on the basis of the past week's performances than they went out last night and added new victories to their unbeaten records.

The Hoosiers, in one of their toughest tests so far, defeated previously unbeaten Notre Dame 66-55. Big Don Schlundt was held to nine points but Bob Leonard, a flashy guard, took up the scoring slack with 21.

Duquesne downed Carnegie Tech 65-42 with the starting five playing together only in the first quarter. Dick Ricketts tallied 15 for the Dukes.

In this first weekly poll Indiana was the first choice on 35 of the 76 ballots. Kentucky was tops on 20 and Duquesne on 5. On the usual 10-9-8 etc. scoring system Indiana collected 743 points to 621 for Kentucky and 584 for Duquesne.

Two of the other members of the new top 10 also played and won last night. Fifth-ranking Louisiana State defeated Texas A&M 77-56 with Bob Pettit scoring 27 points. Oklahoma A&M, No. 7, routed Colorado 70-37 as 6-foot-11 Bob Matlick scored 28 points. The Cowboys hit 20 of 36 field goal attempts.

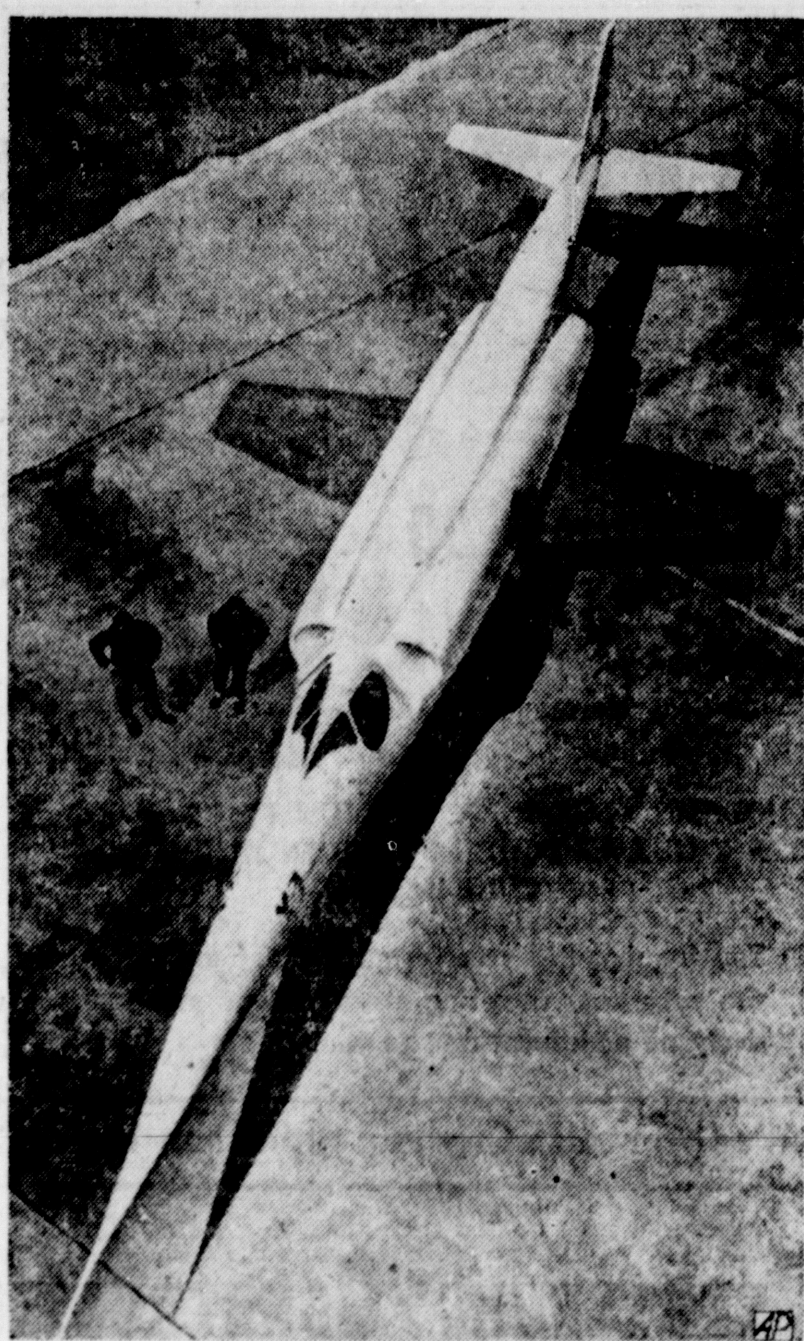

Below the first three there was considerable juggling between the preseason poll and this week's first regular season balloting. Illinois moved up from ninth to fourth, Louisiana State from 10th to fifth, Minnesota from 12th to sixth, Oklahoma A&M down from fourth to seventh, North Carolina State down from seventh to eighth, Fordham into ninth from nowhere and Western Kentucky into 10th from 11th. Kansas and La Salle dropped spectacularly. The Jayhawks, ranked fifth before they had played a game, lost their first two and fell into the also-rans. La Salle, upset by Niagara, slipped from sixth to 20th.

TC Loses To Utah  
In other action last night Oklahoma upset Wisconsin 69-65 and Alabama broke a two-game losing streak at the expense of Bradley 53-61.

In the South Furman won its first game of the season 103-75 over Virginia Tech with Frank Selvy scoring 43 points and Fred Fraley 34 for Furman. Southern Methodist squeaked past Memphis State 66-63. West Virginia beat Maryland 87-71, and Rice continued its good start with a 56-49 decision over a good Tulane club.

Out West Texas Christian continued its miserable road trip by losing to Utah 72-55.

French statisticians estimate that 65 per cent of French families own one or more bicycles.

## BUBBLERS GUN FOR ANOTHER COUNTY TITLE

Boiling Springs High School, defending champions of the Adams County Basketball League, rates an odds-on favorite to repeat if pre-league tune-ups are to be taken as a criterion.

Coach "Bud" Ecker's outfit has won three of four games, holding a pair of victories over Scotland, a 47-40 triumph over West Shore, while suffering a 55-43 setback at the hands of William Penn High, Harrisburg.

The Bubblers have plenty of height which will be a strong factor in coming games. Barry Dasher, 6-4 center, and Eddy Dasher, 6-3 forward, are the big men. Leroy Bream and Donald Kuntz each stand six feet. Completing the starting lineup is Millard Igenfritz, a 5-10½ guard.

Remaining games on the 25-game Bubble schedule follow: Tonight, New Cumberland, away; December 18, Susquehanna Township, away; 22, Shippensburg, home; 26, Susquehanna, away; 30, Shippensburg, away; 31, Susquehanna, home; January 5, Fairfield, away; 8, York Springs, home; 12, New Oxford, away; 15, Littlestown, away; 19, East Berlin, home; 22, Biglerville, away; 26, Newville, home; 29, Fairfield, home; February 2, York Springs, away; 5, New Oxford, home; 9, Littlestown, home; 12, East Berlin, away; 15, Biglerville, home; 16, West Shore, home; 19, Newville, away.

Junior High games: January 8, York Springs, away; 18, Shippensburg, home; 22, Biglerville, home; 29, Shippensburg, away; February 2, York Springs, home; 10, New Oxford, home; 15, Biglerville, away.

### ASKS EXEMPTIONS

PHILADELPHIA (AP)—The Pennsylvania Anthracite Bureau has asked the health and welfare committee of City Council to exempt homes which use anthracite coal from Philadelphia's air pollution ordinance, requiring licenses for all heating installations.

The bureau said anthracite is a smokeless fuel and therefore does not "add to air contamination."

## VILLANOVA TO KEEP FOOTBALL

PHILADELPHIA (AP)—Athletic Director Bud Dudley of Villanova University has assured Wildcat fans the school has no intentions of dropping football.

He made the statement last night at the annual Villanova University football banquet in answer to reports during the past season that Villanova was considering calling a halt to gridiron competition. The team won only four of 10 games this fall.

"The authorities of Villanova University," Dudley said, "assure me that our 60 years of intercollegiate competition in football is to be definitely continued. We have no intention of discontinuing."

### NOVELIST DIES

ST. AUGUSTINE, Fla. (AP)—Marjorie Kinnan Rawlings, 57, Pulitzer prize winning novelist, died at a hospital here last night.

Over the weekend she complained of indigestion and was taken to a hospital here.

The native of Washington, D.C., won the Pulitzer prize in 1939 with her novel, "The Yearling."

From 1940 to 1950 the gain in U. S. population was 19,028,000 or more than the total population of the country in 1840.

icant of courage, of willingness to see one's small problems against the background of all human life. The person who is able to see how crazy he has become is on the road to sanity.

"Since we are engaged in an almost death struggle with the Soviet Union, it is time to laugh them down. Communism is humorless. It sets itself up as incapable of error. It is wide open to laughter.

"Last summer in Berlin I saw what seemed to be a huge, caged animal. It was a Russian tank surrounded by a wire cage. The Russians had put it up as a memorial. It was their proudest possession, the proof of their might. The final product of war. And when the people of Berlin pelted it with overripe eggs and similar articles, the only way they could protect it was to place a wire cage around it.

### Ridiculous Memorial

"Perhaps the Russians themselves will realize what a monument to ridiculousness that has become. The great machine of destruction, the symbol of unequalled military power, the tank, called to protect it from the disgust of man.

"There ought to be more of this type of laughter that we could direct to the Russians. Perhaps such laughter in time may be the salvation of the nation.

"Our second thought for Christmas is 'wash your brains and dry them well.' That's a line borrowed from the Communists. We should borrow much and turn it against the Reds. For they pose to us a challenge—to learn to think and think straight. Most of our thoughts die at birth. We don't give them a chance. No human is so stupid that he cannot think, if he puts his mind to it. But we have to pay a price for thinking, it is the most difficult discipline of all. But something of a new man is born when we begin to think.

### Basic Fault

"Most of us are well versed in the practical-technical things. But when we analyse concepts of courage, integrity and the like we find ourselves up in the air. This is the basic fault of our culture. We have difficulty in using words. And it is in the realm of human

## Four Teachers Win Special Contest

HARRISBURG (AP)—Four teachers were declared the winners of a contest for students and teachers in the preparation and use of instructional materials for aviation education.

The winners as announced yesterday by Dr. Francis B. Haas, state superintendent of public instruction are: Anna E. Shaddinger, Chesnutwood School, Haverford Twp., Delaware County; Anna G. Vaughn, Central School, Plymouth; Walter McCloskey, Danville High, Danville; and M. J. Pennington, Memorial Elementary School, Bloomsburg.

"relations that words are so vitally important, for there the most vital matter is the ability of the mind to express its thoughts in words.

"And finally the gift of Christmas supremely is the gift of understanding. Christ could advise man because He knew all men.

"And we need all three, the resources of laughter, and hard headed thinking and the gift of understanding if we are to meet the problems facing us, the problems that come to the country leading the free world."

girls. She also reported on the "splendid" progress of a group of young Negro girls organized under the name of the MAG Club (Modern American Girl) which recently completed Christmas favors for the Hoffman Orphanage and popcorn balls for the Adams County Home.

The report of Mrs. Clarence Smith, program chairman, was given by Mrs. Conway Williams. She said 80 were present at the "Hanging of the Greens" at the Y, December 5, despite inclement weather. Friends of the Y are invited to visit the building between now and the New Year.

The budget report from March 1 to December 1 was presented by Mrs. Guyon E. Buehler, finance chairman. She displayed a picture of the Danner family who gave their home to the YWCA. Mrs. Pearl Harbaugh, who for many years worked for the Danner family, took the portrait from a trash barrel on the day of the public sale of the contents of the building. She recently presented the small, bent family picture to Mrs. Buehler with the thought that it might be of sentimental value to the

Association.

### Picture Is Restored

The picture has been enlarged and restored by Lane's Studio. Apparently the only portrait of this old Gettysburg family in existence, the picture will be framed and hung permanently in the building.

Mrs. John S. Rice, fellowship chairman, reported on the World Fellowship meeting held in November at which time \$76.46 was sent to the National Board for world use. Mrs. Williams, office manager, reported that during November there were a total of 66 meetings held in the Y. A total of 1,110 attended and 97 volunteers served. Three-hundred and fifteen dinners were served in that period.

Mrs. Robert Fortenbaugh, personnel chairman, expressed the Board's appreciation to Mrs. Williams and Mrs. Ruth Jones, housekeeper personnel, part-time office secretaries and the corps of volunteers, "for the efficiency with which the YW is operated."

Mrs. Frank H. Kramer presided. Devotions were in charge of Mrs. S. Clark Smith who used the topic "The Family at Christmastime." Mrs. J. Cair Donley, secretary, read the minutes, and Mrs. Smith, treasurer, gave a monthly report. The next meeting will be held January 11.

# DULLES' WORDS STIR VIOLENT FRENCH PROTEST

BY TOM MASTERSON

PARIS (AP)—The NATO Council of Ministers heard more discussion today of Europe's political situation amid a storm of protest aroused by U. S. Secretary of State Dulles' warning that France must accept the European army pact soon or face a U. S. "reappraisal" of its European policies.

French officials were reported furious over Dulles' blunt remarks, which implied that any reappraisal might involve a shift of U. S. troops and aid from the European continent. Paris newspapers termed his statement a "brutal ultimatum."

In London, British newspapers of varying political shades also sharply criticized the remarks as "folly" and "best left unsaid."

**Strong Language**

Dulles spoke yesterday to a news conference after addressing the opening meeting of the NATO Council gathering. Informants said he made the same points to the council.

In the strongest language yet heard at a NATO meeting, the secretary of state warned:

1. Unless the European Defense Community Treaty is ratified quickly, the United States will have to "re-study" how to implement its obligations to NATO, and the disposition of U. S. troops "would, of course, be a factor in the agonizing reappraisal."

2. If the Western nations, "especially France and Germany," decide to commit suicide by failing to unite, "they may have to commit it alone."

Dulles' threats were aimed mainly at the French, who first proposed the EDC and then turned sour on the idea. They fear the pact, which would bring 12 West German divisions into a six-nation European army would give German troops a new chance to invade France.

Yet many French leaders agree a European army including West Germans is necessary to defend Western Europe against Soviet attack.

The French Cabinet scheduled a foreign affairs meeting today. An announcement said the government leaders would discuss both the recent Big Three Bermuda conference and the current NATO talks.

In Britain, the Liberal Manchester Guardian commented: "It would be folly simply because of failure to agree immediately on arming Germany, to tear down the defenses which have been built in Europe since 1950. The suicide would be America's as much as Europe's."

Compared to the great cities of the ancient world, the cities of Europe in the Middle Ages were small.

## Army Pay Day To Affect Pawnshops

CHEYENNE, Wyo. (AP)—City Commissioner Robert Adams of Cheyenne has proposed an ordinance limiting pawnshop operations to the hours between 6 a.m. and 9 p.m. However, he recommends the closing hour be extended to midnight on the days soldiers get paid at nearby Ft. Warren.

## CHASED HOLDUP MAN COUNCIL BLUFFS, IOWA

Police said a grocer drove off a holdup man armed with a knife last night by throwing "everything he could get his hands on." The missiles included salad dressing, oleomargarine and cheese.

## Buys America's "Worth More" car!

• Here's a chance to own a new Ford—the car over 1,000,000 Americans have already bought—at a wonderfully low price. Ford brings you such "Worth More" advances as a hulltight Crestmark body, Full-Circle Visibility (most in its field) and a ride which reduces front end road shock alone up to 80%. In addition, you get the six which topped all others in this year's Mobilgas Economy Run... more reason why Ford's worth more when you buy it, worth more when you SELL it.

F.D.A.F. \*\*Economy Run Six was equipped with Overdrive, optional at extra cost.

## Transit Merger Is Under Advisement

**NORRISTOWN, Pa.** (AP)—Public Utility Commission Examiner Herman Lieberman took under advisement yesterday the merger of four transit companies operating out of Philadelphia's 69th St. Terminal. The proposed merger would unify the Philadelphia Suburban Transportation Co., the Philadelphia & Western Street Railway Co., the Main Line Transfer Co. and the Philadelphia & Western Home Owners Assn. The corporation would be merged under the Philadelphia & Suburban Transportation Co. Stockholders and the PUC must approve the merger proposal before it can be effected. John R. McCain, of Media, president of all four companies, submitted the brief to Lieberman. No witness disputed the proposal.

## DEAN ARRIVES IN TOKYO ENROUTE HOME; REJECTS RED PROPOSAL

**TOKYO** (AP)—U.S. envoy Arthur H. Dean arrived today en route to Washington after bluntly rejecting a Communist proposal for immediate resumption of negotiations to set up a Korean peace conference.

The State Department envoy who for seven weeks wrangled with the Red diplomats at Panmunjom said he won't return to the conference table unless the Communists retract charges that the United States connived with South Korea to release 27,000 anti-Red war prisoners last June.

Dean broke off the talks Saturday.

**Report Red Charge**. A Communist note delivered early Tuesday suggested immediate resumption of negotiations. But an Allied spokesman said the note also repeated "the Red charge of perfidy."

It drew a prompt rejection. "I shall not be with you... at any time until you make an appropriate retraction or correction of this insult in a manner satisfactory to my government," Dean wrote in his reply.

**Charges "Stalling"**. He will leave Wednesday for Washington to report to the State Department and officials of 15 other United Nations which fought in Korea.

Dean, on his arrival in Tokyo, said the Communists "are deliberately stalling" the negotiations "because they do not dare to have the subject of the nonrepatriated prisoners aired" at the long-delayed peace conference.

He was referring to the 22,000 anti-Communist North Korean and Chinese prisoners who overwhelmingly have rejected opportunities to return home during explanations.

**Mrs. Howe Stays On**. The Reds, he said, "knowingly and intentionally wrecked" the explanation program because "so few of their soldiers came home." Meanwhile, Mrs. Portia Howe, who flew 7,000 miles from her Alden, Minn., home to Tokyo to try to persuade her POW son to return to the Allies, said she had given up hope of going to Korea. But she canceled reservations on a homeward bound plane, declaring: "I have decided to stay in Tokyo until the last possible chance for my son to come home has gone."

He wrote yesterday that he would not come back.

## SANTA CLAUS TO

(Continued from Page 1) youngsters. Waitresses and others at the Peace Light Inn join annually to provide gifts for several children.

Miss Bettie Livermore, secretary of the county child welfare services, explains that anyone or any group may give Christmas gifts for the youngsters. Frequently, she said, an organization which provides a gift for one child in succeeding years asks permission to be "Santa's helper" for several.

**Each Writes Letter**. Each of the youngsters who is old enough to write composes a letter—some of them, written by the smaller youngsters, are the results of tremendous effort, and a valiant, if sometimes ineffective, wrestling with the rules of spelling.

In those letters the youngsters outline their most cherished hopes for Christmas. Most organizations follow along by fulfilling the children's wishes. Because they are well behaved, well mannered youngsters, most of the gifts asked are practical and of a minor nature. Sometimes an organization adds an additional gift "just in the spirit of Christmas."

Some of the gifts this year include wagons and bicycles.

Many of the youngsters write "thank-you" notes to the donors.

**AUTOS COLLIDE**. Frank Smith, McSherrystown, a passenger in the car driven by Ralph E. Hippensteel, New Oxford, received cuts of the left hand. Police reported the Hippensteel car was in a collision with an auto operated by Leon F. Bankert, Hanover R. 3, at 6 p.m. Saturday in Hanover. Damage was estimated by Hanover police at \$50 to the Hippensteel car and \$75 to Bankert's.

into effect on Wednesday. Commuters had filed protests with the railroad and the PUC after the PRR slashed operating schedules on the branch. The road contended the reduction in service was warranted by the fact that trains are only lightly patronized.

## France Must Join European Army Or U.S. May Withdraw Its Troops From Continent

By JAMES MARLOW

**WASHINGTON** (AP)—The exasperation of the Eisenhower administration—in trying to get the French to join a single European army—reads like a fever chart.

Secretary of State Dulles, representing the administration, started off fairly warm. He was red hot yesterday in Paris where he warned the French:

If they don't join the single army soon, this country may pull its troops out of Europe. As he put it, this country would be forced to an "agonizing reappraisal" of its basic policies toward Europe.

Dulles showed his first signs of temperature last Jan. 27, six days after taking office. He said this country would have to do a "little re-thinking" if there seemed no chance for European unity.

He followed this up with a fast tour of Europe, returned, and on Feb. 12 said that unless there was concrete evidence of progress toward unity "future planning will be difficult."

**Ignore Bid To Join**. This rolled off the French. They still didn't join the single army, although they're the ones who proposed it years ago. Since February President Eisenhower and Dulles have met with them several times. Dulles more than Eisenhower.

This month at Bermuda both sat down with French Premier Laniel and French Foreign Minister Bidault, together with Britain's Prime Minister Churchill and Foreign Secretary Eden.

The Americans and British reportedly put the heat on the Frenchmen to get moving. But it was not reported they got any solid promises. Neither Frenchman was in position to be too positive.

This month the French hold national elections which may leave Laniel and Bidault unemployed. **Mutual Defense Agreement**. This is the background: On March 17, 1948, Britain, France, Belgium, the Netherlands

and Luxembourg signed a mutual defense agreement, called the Brussels Pact.

If Russia attacked, it was felt here and abroad, those five nations might not be enough to save Western Europe. Something stronger was needed. This led to creation of NATO—North Atlantic Treaty Organization. The NATO Treaty was signed April 4, 1949.

NATO has 14 members: the States, Canada, Iceland, Greece, Turkey, Italy, Portugal, Norway, Denmark, and the five Brussels Pact countries.

Under NATO each country would retain its own individual army although they planned their defense together.

**Fearful Unarmed Germany**. The United States, particularly, was concerned about West Germany, with all its manpower and resources, which was not included in NATO and was still unarmed. If it remained unarmed, and Russia attacked, the Russians could sweep across Germany unhindered.

Yet, the French worried about letting their old German enemy rearm. Finally, the French suggested the single European army idea: it would be made up of troops from France, West Germany, Belgium, Holland, Luxembourg and Italy.

That meant giving up, for the greater protection of all, individual command of their armies. The single army would be unified and under single command.

Then, the more the French thought of letting Germany rearm, even in this limited way, the less they liked it. And they've been stalling about joining it ever since.
